

Welcome to Michigan Swim Camps!

I am excited to carry on the tradition of the Michigan Swim Camp experience and follow in the footsteps of some of the greatest coaches in Michigan and US Olympic Swimming history. As you navigate our camp website, please take some time to review the two main track options—Technique and Intensive Training—and the credentials of our elite level coaching staff! I was intentional in hiring a staff that has vast experience of coaching athletes to the highest levels in our sport, including Olympic gold medals, world records and NCAA champions. Equally impressive is their ability to connect with and build relationships with athletes of all ages to help them develop the skills necessary in their pursuit of being elite.

If you have any questions as you explore our camp information, please don't hesitate to e-mail us at michiganswimcamps@gmail.com.
